SEVERE PAIN WITH HEMORRHOIDS

Got No Rest Nights. Had to Be Propped Up in Bed. Cuticura Soap and Cuticura Ointment Cured in Three Weeks.

Bissell, Ala.—"I was troubled for several years with protruding hemorrhoids. They caused pain of the most severe kind and some loss of blood. They were so inflamed that the touch of anything against them was most intense agony. I got no rest nights and had to have my legs and feet propped up in the bed.

"I tried all kinds of advertised cures and I was told that an operation was the only relief. I suffered untold agony. I saw the advertisement of Cuticura Soap and Ointment and sent for a sample. I tried it and then procured a box of Cuticura Soap and Cuticura Ointment. I took the Cuticura Soap and made a solution with warm water and bathed the affected parts before applying the Cuticura Ointment. It was cured sound and well in three weeks' time. A cake of Cuticura Soap and two boxes of Cuticura Ointment accomplished what all else failed to do." (Signed) L. R. Cook, Nov. 12, 1912.

For red, rough, chapped and bleeding hands, itching, burning palms, and painful finger-tips with shapeless nails, a one-night Cuticura treatment works wonders. Soak hands, on retiring, in hot water and Cuticura Soap. Dry, anoint with Cuticura Ointment and wear soft bandages or old, loose gloves during the night. Sample of each mailed free, with 32-p. Skin Book. Address: "Cuticura," Cuticura, Dept. T, Boston.

Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp.

ZELAYA WILL LEAVE U. S. FOR BARCELONA

Nicaraguan Minister Asks His Government to Cancel Its Request for Extradition of Former President

Washington, D. C., Dec. 2.—J. Santos Zelaya, former president of Nicaragua, will leave the United States for Barcelona, Spain, whence he came, about Dec. 11. In Zelaya's promise to leave the country, the international problem over his presence is apparently solved. An agreement was effected after a day of conference Monday at the state department between solicitor Polk and counsel for Zelaya and the Nicaraguan government.

State department officials insisted when the former dictator departed, he go direct to Barcelona and that in the interim he enter into no political intrigues involving Nicaragua. This agreement proved agreeable to Charles A. Douglas, counsel for the Nicaraguan government. Acting upon Douglas's advice, general Chamorro, Nicaraguan minister here, cabled to the Nicaraguan government suggesting the cancellation of that government's request for the extradition of the former president for trial for the murder of two of his countrymen in Nicaragua.

Zelaya's counsel has maintained that the offenses alleged against him were political and that upon hearing he could prove that the two murders alleged against him were committed at different times and dates in Nicaragua and without his knowledge.

CLAIMS \$15,000 DAMAGES FOR A FALL DOWN STAIRS

J. H. Hanson has filed suit in the special district court against Josefa Armas, executrix of the Armas estate, and J. B. Fisk, to recover \$15,000 damages for personal injuries.

The plaintiff alleges that on May 27 of last year he went to 1224 Main avenue, a place owned by Mrs. Armas, and of which Mr. Fisk was the agent, to see a room. The banister on the stairway leading to the second floor of the house, he says, was missing. He says he was not acquainted with the place. In going up the stairway to find his room he says that he reached out for a railing, which was not there, and then turned a somersault, landing on his back on the floor below. The plaintiff alleges that he suffered injuries to his spine.

Quick Way to Make Ugly Hairs Vanish

(The Modern Beauty)
Here is a quick and very effective treatment for banishing objectionable hairy faces: Apply a stiff paste with a little powdered delatone and water and apply to the hairy surface for about 3 or 4 minutes, then rub off and with it will come every trace of hair. Wash the skin to remove the remaining paste leaves it firm and free from blemish. Rarely is more than one application required, but results are more positive when the delatone is purchased in an original package.—Advertisement.

HAIR DOESN'T DIE—IT HAS TO BE KILLED

Hair often continues to live and grow long after the death of the body. But it is often killed through neglect or misuse. Almost always the woman or man whose hair is falling out, or is stringy, lifeless and dull-looking, is entirely to blame because of not giving it the proper care. It is easy to take care of the hair—easy to make it more beautiful. Use Harmony Hair Beautifier to make it glossy, soft and silky, and Harmony Shampoo to keep hair and scalp thoroughly clean.

Harmony Hair Beautifier, delightfully perfumed with true rose, is very easy to apply—simply sprinkle a little on your hair each time before brushing it. It contains no oil, and will not change the color of the hair, nor darken gray hair.

To keep your hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo is most convenient to use, giving an instantaneous rich, foaming lather that immediately penetrates to every part of the hair and scalp, insuring a quick and thorough cleansing. It is washed off just as quickly, the entire operation taking only a few moments. Contains nothing that can harm the hair, and leaves no harshness or stickiness—just a sweet cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinker tops. Harmony Hair Beautifier, \$1.50. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back.
